

THE CARRINGTON

AT LINCOLNWOOD

Dear Residents, Families and Friends,

Today, June 11th, we received notification the IDPH SIREN program has transitioned from providing daily emails to reporting updates on their website. Information can be viewed at <https://www.dph.illinois.gov/news-pressrelease>. The Carrington has not had an active resident case reported since May 15th and only one report of a staff member testing positive this month.

As previously announced, we will be testing all Assisted Living (AL) and Memory Care (MC) residents as well as staff tomorrow. We will provide an update on when we expect to receive the results after the kits are received by IDPH. We are also offering a make-up date for staff on 6/18 to for staff who are unable to attend tomorrow. We very much appreciate IDPH providing the test kits to conduct this important testing.

Per IDPH guidance, we continue to only admit essential visitors (including caregivers, hospice providers, therapy providers or a family member who provides direct care) to AL and MC areas. Please email ALMCquestions@thecarrington.com to schedule on-site outdoor meetings, virtual meetings, or to ask questions related to these areas of the community. On-site meetings can be scheduled Mondays, Wednesdays, Fridays and Sundays between 1:30 and 4:30pm.

We continue to follow the guidance of the CDC, IDPH and our Medical Team. Employees receive temperature screenings at the beginning of each shift and every four hours thereafter. All staff continue to wear masks. We have sanitizer stations throughout the community and each Department continues daily disinfecting routines. IL Residents sign out/in and receive temperature screenings. All visitors (including caregivers) entering the community are required to complete a CDC questionnaire, receive temperature screenings and wear masks, including while in the resident's apartment.

Please email residentquestions@thecarrington.com for general questions or comments. For department specific inquiries, please call 847-973-6262 and ask the Concierge to connect you to the appropriate extension. For COVID-related questions, I am available at 773-503-6852 or tom@thecarrington.com.
