Dear Residents, Families and Friends,

We have encouraging news and activity updates to share about The Carrington!

- Per IDPH guidance, we will continue testing our staff with the next round scheduled for 7/22-7/23.

ACTIVITY UPDATES

We continue to restrict common areas and programs to residents only. Masks and social distancing required.

- Starting 7/27 we will resume small group activities in the Fitness Room Monday-Friday at 10am and 3pm. Wednesday at 10am will offer two options- our popular Walking Club (outdoors weather permitting) and a Pool activity.
- Baseball is back! We may not be able to visit the Friendly Confines but will stream Cubs games in multiple common areas for residents to enjoy in small groups. Seating will be distanced, and please keep the peanuts and Crackerjack at home so you can wear your mask while enjoying the game. Please see Concierge for details and to RSVP for Opening Day.
- We are excited to announce our new Bridge Program- a dedicated open neighborhood in Assisted Living with memory loss support activities. More information is available on our website under the Memory Care link.
- Speaking of our website, check out our new online content including resident and family testimonials at www.thecarrington.com. You can visit our Facebook page and Instagram accounts by clicking the links on our homepage. ***Note some pictures are pre-COVID. We all wear masks every day 😊***

SOCIAL VISITS

AL & MC areas are restricted to essential visitors only. IL residents may have a designated family member visit in their apartment with masks on.

- We are offering community visits with the opportunity to move-in.
